

ON THE **MOVE**

Finn Behnken has been appointed CEO of Tshipi, the manganese business initiated by **Saki Macozoma** and **Brian Gilbertson**. Both Behnken and newly appointed CFO **Brendan Robinson** have been closely involved in the project over the last few years. They join Tshipi's existing operational team of GM **Mokgosi Nkoana**, operations manager **Ezekiel Lotlhare** and safety manager **Nontokazi Mabuza**.

Harmony Gold has appointed **David Noko** deputy chairperson. It has also appointed **Cathie Markus** chairperson of the remuneration committee of the board from November 30, replacing **Cedric Savage**, who is retiring. **Frank Abbott**, currently a nonexecutive director, has been appointed an executive

director, and will be responsible for business development within the group.

Thabo Mokgatla, of Royal Bafokeng Holdings, has resigned as the chairperson of South African Coal Mine Holdings (SACMH), after JSW Energy gained a majority stake in the company. SACMH is in the process of appointing non-executive directors from the ranks of JSW Energy, of India.

Nevsun Resources, which operates the Bisha gold mine, in Eritrea, has appointed **Frazer Bouchier** COO. Bouchier, an engineer, will have oversight of the mine, and will also help Nevsun's management to seek out acquisitions of producing operations or ones in development.
